BENEFITS OF ENCORE PLASTIC DRINKWARE

VALUE

Longevity in Use, Reduced Liability from Glass Breakage, More Economical Than Disposables, our Plastic Drinkware is a Better Overall Value despite a higher initial expense, thus Lowering your Overall Operating Costs.

REDUCED LIABILITY

Eliminate the Liability of Glass Breakage. Plastic does not Shatter like Glass making Clean-up Easier and Faster. The Danger of Lacerations and Contamination of Glass Chips is Eliminated. Even if broken and Cracked, Plastic does not have Sharp Edges.

EASE IN HANDLING

Since Plastic Drinkware is Lighter than Glassware Allowing Servers to Carry More Drinks. No Need to Handle with Care. Bump Against the Counter, Bang on the Table, Pick Up in Bunches; Its OK with Plastic. Use Metal Ice Scoops Too.

LONGEVITY

Although Plastic does not Break as Easily as Glassware, They don't Last Forever and will Eventually Wear Out. When Glassware Breaks, You Replace Them. With Plastic, they should be Replaced as they Wear. Expect Plastic Drinkware to last 3 to 4 Times Longer than your Glassware..

SCRATCH RESISTANT

ENCORE Plastic Drinkware is made of a High Grade Polymer which Resists Scratching Much Better than other Plastics including Polycarbonate. Scratched, Chipped and Worn Drinkware has been in Service beyond its Usable Life and Should be Replaced. Customers unhappy with other plastics in the past are now Satisfied Users of ENCORE Drinkware.

STACKABLE

Our Tumblers Nest Neatly Together. Stack Them to the Ceiling if you wish. Allows Easy Storage and Takes Very Little Space. Typically, 3 Dozen Tumblers will store in Less Than 1 Cubic Foot.

STYLE IN APPEARANCE

ENCORE Plastic Drinkware has an almost Indistinguishable Look from Glassware, Not Like the Poor Image of Disposables.

DISHWASHER SAFE

Unlike Other Plastic Products sold for Home Use, Our Drinkware is Safe for Use in Commercial Dishwashers. Our Plastic Drinkware has been tested for use with Ecolab and Auto Chlor Systems, as well as other Commercial Dishwashing Systems. We can also be used in the brush bar systems used in most bars.

THERMAL SHOCK

Pour Hot Drinks into a Cold Glass? You can with Plastic. Or Pull Directly from the Dishwasher and it's Ready to Use, Without Fear of Cracking.

FROSTING AND SWEATING

Plastic Greatly Reduces Condensation. You can Chill and Frost our Drinkware just like Glassware, in fact Plastic Maintains the Frost Longer. While Plastic does not feel as Cold as Glassware, Plastic is Actually Keeping your Drinks Colder Due to it's Superior Insulation Properties.

QUALITY ASSURANCE

ENCORE Plastic Drinkware is Made in the U.S.A. Quality in Construction and F.D.A, Approved Material.

TERMS & CONDITIONS

ALL ORDERS are subject to acceptance by the factory in Huntington Beach, California and is governed under the Laws of the State of California, U.S.A.. All pricing in U.S. Dollars.

TERMS are Letter of Credit or Performa Invoice. For easier currency exchange, *Visa, Mastercard* and *American Express* are also accepted.

FREIGHT is Prepaid on shipments of 500 lbs. or more, based on a single order to a port of distribution within the continental U.S.A. Paid Freight programs via ocean transport to certain destination countries are also available. Orders weight less than the above are FOB Huntington Beach, California. On all prepaid shipments, factory reserves the right to select the method of shipment, routing and carrier. Expedited shipments are available upon request.

MINIMUM ORDER is \$100.00. Reorders less than \$100.00 are subject to a \$5.00 service charge.

DELIVERY on most orders has shipment within two (2) working days from receipt of order. Allow additional time for transit.

QUALIFICATION for Export Pricing is certification that all products purchased must be exported outside of the U.S.A. No product shall be resold or used inside of the U.S.A. Failure to comply with export terms may result in cancellation of export pricing.

RETURNS must have prior factory authorization. A Return Authorization Number will be issued and must be labeled on the return shipment. Returns are subject to a 35% restocking charge including outgoing and incoming freight. All return requests must be made within 90 days from original shipment.

CLAIMS must be made within 10 days from date of invoice.

ALL PRODUCT is certified to be manufactured in the U.S.A. and no further assembly or processing outside of the U.S.A. has occurred.

CUSTOM IMPRINTING

Items are available for imprinting via silk-screen. Prices are based on one (1) color imprint on standard color with supplied camera-ready artwork. A 5% over/under run will apply. Allow 15 - 20 working days. **SCREEN CHARGE - US\$60.00 (net)**
